Research Timber Harvest Tour  
November 7, 2020  
9 AM – 3 PM

### **Tour Safety Information for Participants**

Maine TREE appreciates your interest in a tour of the Holt Research Forest timber harvest. To ensure we minimize the risk of exposure to the virus that causes COVID-19, we have established some basic protocols for all participants to follow.

#### **Tour Registration:**

We require that you pre-register to attend the tour. Each tour will last no longer than 2 hours, and we will be keeping the number of people per tour to 10, not including Maine TREE event leaders.

To register, please complete our [form](#) and indicate your preferred tour times of 9 AM, 11 AM, or 1 PM. We will provide further instructions upon registration.

#### **Self-screening:**

If you answer yes to any of the questions below, we ask that you do not join the day of the tour.

- Have you had a cough or sore throat?
- Have you had a fever, or do you feel feverish?
- Do you have shortness of breath?
- Do you have a loss of taste or smell?
- Have you been around anyone exhibiting these symptoms within the past 14 days?
- Are you living with anyone who is sick or quarantined?
- Have you been out of state in the last 14 days?

Please let us know if you are unable to attend as soon as possible so we can offer your spot to someone on our waitlist.

#### **Social distancing and face coverings:**

The tour will make several stops within the Holt Research Forest, where social distancing of at least six feet should be able to be maintained by all attendees. However, we will ask that all attendees wear a cloth face covering for the duration of the tour. Should attendees need to remove their covering for any reason, we ask that they step away from the group to do so. Face coverings must cover both the mouth and nose to be effective.
